

Therapy Gold Sports Injury Clinic offers a 10% discount on [treatments](#) for season ticket holders. Available for night and weekend appointments.

Our aim is to provide you with the most effective treatment and intervention possible, tailored to your needs and goals, in as few sessions as possible. You will not be encouraged to be coming for treatment week after week with no end in sight. That's not how we work.

We pride ourselves on working to exceptional standards, using evidence-based practice, to ensure that we can be as effective as possible in aiding your recovery. We have late night and weekend appointments available with free parking outside.
