Gainsborough Trinity have moved to re-sign 27 year old left back [Ben Gordon](#) from Shaw Lane. Ben spent a short period at Trinity last season, making two appearances including his debut off the bench in the 1-1 draw away at Spennymoor. Initially returning after three months out, Ben struggled for fitness, but having found his feet became a regular at Shaw Lane last season.

Assistant Manager, John Reed declared *"He is a good full back, a player of undoubted quality. Full backs are very hard to find, but I believe he is one of the top three or four left backs in this league."*

Having spent a good chunk of last season with him, Reed knows his strengths, stating *"He's a good defender, reads the game and thinks well. Ben is strong in the air and can also get forward with real quality."*

Gordon links up with former team mate Damian Reeves, who put pen to paper at the weekend. Welcome back Ben!
